What did you want to be when you were a kid?

When I was 10, I dreamt of being and doing so many things. But I never got round to them because, well, I grew up. So now, almost 20 years later, I've chosen to go on a quest: To BE what I've always wanted to be... To DO what I've always wanted to do. My name's Lawrence Leung. Welcome to my adventures.

THE LOST ADVENTURES OF Lawrence Leung

THE LOST ADVENTURES OF LAWRENCE LEUNG is an imaginative comedy adventure series about the innocence of childhood ambition and the realities of adulthood. It's about finding out who we are, how we've changed, and what we can be.

In each episode, comedian and all-round nice guy Lawrence Leung chooses an adventure he imagined having when he was a boy. Guided by mentors, and scrutinised by his loving but concerned Chinese parents, Lawrence tries to make his naïve dream come true as an adult.

In the process, he meets and learns from the people who are living his dreams, and their own.

Lawrence's lost adventures:

Lawrence searches for his long-lost childhood love and discovers there are many new directions on the way to a girl's heart.

In pursuit of rock stardom, Lawrence picks up tips from rockstars, crashes the MTV Awards red carpet and recruits a band from India via Myspace.

Lawrence is tormented by memories of his childhood bully, and the hedge he was pushed into, and sets out on a quest to become a real man.

Lawrence tries to become a world champion by entering the world of competitive Rubik's Cubing.

In his quest to be cool Lawrence learns to breakdance and rap: can he walk the walk and talk the talk?

Lawrence meets his Google nemesis, Dr Lawrence Leung, and searches for his hero, MacGyver.
