Be quiet. Leave the cat alone. Simple instructions even a dog owner can understand - because in the end, they're the ones who need the help.

Welcome to WAGGING SCHOOL.

Your teacher will be professional dog trainer, Chrissie McIntyre. Her five-minute nuggets of good advice are worth their weight in gold.

From finding the right puppy to teaching your new best friend all the basics they need to be happy, well-adjusted and never eat the furniture.

If it's too late for that, Chrissie can even teach you to un-train your dog's bad habits.

Does Rex lie all over the couch and the bed and anywhere else he wants?

Does Rover jump up on your friends, dig up the garden and bark non-stop when you leave the house?

Does Coco totally ignore you?

Chrissie knows the answer and has a simple, commonsense strategy for solving all your doggy dilemmas.

It's easier than you think!

Essential viewing for any dog owner.
