

# Discovery with Richard Gill and the Sydney Symphony

a "plain-English" dissection of four of the world's most-loved symphonies

Photo by Bridget Elliott

Beethoven for beginners? Mozart for the musically-challenged? A Haydn highlights package? This is the series that lets even the musical novice into the inner circle of these three superstars of their time - known as the "holy trinity" of classical composers.

Acclaimed conductor, Richard Gill, uncovers the genius of these great men with his "plain-English" dissection of four of their most-loved symphonies.

Beethoven Symphony No. 5  
Movement 1: Allegro Con Brio

Haydn Symphony No. 94  
Movement 2: Andante

Mozart Symphony No.35  
Movement 1: Allegro con spirito

Beethoven Symphony No.7  
Movement 2: Allegretto

You don't have to be a musician to be moved by these magnificent works. But it helps to have someone of the calibre of Richard Gill to illuminate their rhythms and melodies, to explain their creator's inspiration, dedication, humour and their absolute mastery of composition.

You always knew you loved the music, now you can discover just how imaginative, miraculous and profound it really is.
